

HOLLYWOOD

COME **PLAY** AMONGST
ANYTIME & OUR **WORLD.**

When you think of Hollywood, you think of the glitz and glamour of Academy Awards night.

Guests arrive to your event and immediately step back in time. The year is 1955 and you and your guests have been included as part of the exclusive invitation list to participate in a star studded evening for all to enjoy. Hooray for Hollywood and welcome to the Awards Night!

Your entrance is a glamorous setting of rich burgundy velvet, roped off bollards and of course the red carpet. This is complemented by an impressive 42 light blue flashing "Hollywood" sign.

Once in the venue, your guests can relax and enjoy a night of glamour and celebrity gossip. Your very own statues of Marilyn Monroe, Elvis Presley, the Blues Brothers, Charlie Chaplin and "Golden Man" himself will adorn your venue and pose for a picture perfect opportunity. Everyone will be surrounded by old cinema chairs, antique tripod cameras, directors clip boards and loads of film paraphernalia. The tables will be enhanced by adding mini awards and old film reels to set the scene. Your awards platform is complete with 3m Academy Award statues and Awards backdrop. The only thing left for you to do is add an MC with star qualities.

This theme package will bring stage and screen to life and everyone will go home an award winner!
